# Fee Structure

Rs- 100000=00

## Faculty

1- Dr Sharanbasappa	Professor
2- Dr Rajesh Oswal	Professor
3- Dr Mahesh Gandhewar	Professor
4- Dr Alka Waghmare	Professor
5- Dr. Veerender Kerudi	Professor
6- Dr Suresh Nagral	Reader

### → Program Objectives

- To have a comprehensive understanding of the biomechanics of Implants and biology of implant-based oral rehabilitation
- To enable case-selection, clinical & radiographic assessment of patients for dental implant rehabilitation
- To achieve a satisfactory degree of skill and confidence in all types of implant placement
- To get practical tips on how to avoid common pitfalls and complications in Implantology

### → Course Highlights

- A Module-wise / visiting program specifically structured for practicing Dentists or Specialists
- A comprehensive program for dentists having little or no exposure to implantology
- Open to users of all reputed implant systems in India like Korean & Israeli systems
- Training & lectures by well-experienced and credentialed faculty.
- Implant placements (Simple & Advanced) on patients under expert supervision, by the participants.
- Every participant to place 4 implants on patients and do many prosthetic procedures
- Participants will get continued support even after the completion of the course.
- After completion of this programme Fellowship in Oral Implantology is awarded by MUHS Nashik
- Every Fellowship applicant must present a seminar at the end of the program along with clinical viva and it is followed by evaluation of cases done by fellows by an internal and external evaluator

## Eligibility

All Health Science Graduates, Postgraduates & PhD Scholars i.e. (MBBS/BDS/MDS & PhD Dentistry)

Those Students who are doing internship are eligible for entrance examination, provided that they should produce University Internship Completion Certificate along with other documents, at the time of Counseling / on 31 July 2017.
